

# Adobe - Enterprise agreement

## Contract extract fixture

| Field                     | Synthetic evidence                                          |
|---------------------------|-------------------------------------------------------------|
| Annual spend              | \$4,200,000                                                 |
| Renewal / decision window | Q1 2027                                                     |
| Risk                      | Marketing activation depends on CDP migration data quality. |
| Negotiation leverage      | Align Adobe renewal with CDP Phase 2 scope reset.           |
| Watermark                 | AbarVa Synthetic - Apex Retail v1                           |

*Fixture notice: all values are synthetic, internally consistent, and safe for demo use. No real customer data.*
