Recitals This SaaS Data Platform Agreement ("Agreement") is entered into between SkyHarbor Air ("Customer") and Vantage Data Cloud, Inc. ("Vendor"), collectively the "Parties." Customer operates a global airline and support-services group and requires a data platform, service suite, marketing-automation, API/event processing, and implementation capacity to support digital commerce, customer recovery, loyalty, and revenue-management operations. Vendor is authorized to provide the platform, service suite, marketing-automation, and implementation services described in this Agreement. The Parties intend for this Agreement, together with its Exhibits and any executed order forms, to constitute the entire commercial and technical understanding governing the services described herein. Payment Terms and Invoicing Vendor shall invoice Customer monthly in arrears for consumption-based and usage-pack components and annually in advance for committed subscription and support components, in each case consistent with the pricing schedule in Exhibit A. Invoices are payable in United States dollars within thirty days of the invoice date. Amounts not disputed in good faith within the audit window described in the Audit, Reporting, and Invoice Review section are deemed accepted. Late payments not subject to a good-faith dispute may accrue interest at the lesser of one and one-half percent per month or the maximum rate permitted by applicable law. Each Party is responsible for taxes based on its own income; applicable sales, use, and value-added taxes are Customer's responsibility unless Customer provides a valid exemption certificate. Data Protection and Confidentiality Each Party shall protect the other's confidential information using at least the same degree of care it uses for its own confidential information of similar nature, and no less than a reasonable degree of care. Confidential information excludes information that is or becomes public through no fault of the receiving Party, was rightfully known before disclosure, or is independently developed without reference to the disclosing Party's confidential information. Vendor shall process Customer Data solely to provide the services and in accordance with the Security, Privacy, and AI Data Use section and Exhibit C, and shall notify Customer without undue delay upon becoming aware of a confirmed security incident affecting Customer Data. Intellectual Property As between the Parties, Customer retains all right, title, and interest in Customer Data, and Vendor retains all right, title, and interest in the platform, Documentation, and any underlying or derivative technology, excluding Customer Data. Vendor grants Customer a non-exclusive, non-transferable right to access and use the services during the Term solely for Customer's internal business operations, in accordance with this Agreement and the Documentation. No implied licenses are granted under this Agreement. Synthetic contract evidence - not client truth page 11

Indemnification and Limitation of Liability Vendor shall defend Customer against third-party claims alleging that the services, as provided and used in accordance with this Agreement, infringe that third party's intellectual property rights, and shall indemnify Customer for amounts finally awarded against Customer as a result, subject to prompt notice and Vendor's control of the defense. Except for breaches of confidentiality, indemnification obligations, and amounts owed under the payment terms, each Party's aggregate liability arising out of this Agreement is capped at the fees actually paid or payable by Customer under this Agreement in the twelve months preceding the event giving rise to the claim, using the actual annual spend baseline described in the Fees and Commercial Schedule section as the reference measurement year. Neither Party is liable for indirect, incidental, consequential, special, or punitive damages, or for lost profits or lost data, except to the extent arising from a Party's confidentiality breach. 5. Renewal, Termination, and Exit 10. Renewal Notice Deadline The current term expires on 28 June 2031. Written non-renewal, commitment rebalance, or renegotiation notice must be delivered no later than 28 February 2031. Extraction class: renewal. Ledger: leverage. Concept: contract.notice_deadline. 11. Auto-Renewal The agreement does not automatically renew unless the parties execute a renewal enrollment or extension document. Extraction class: renewal. Ledger: leverage. Concept: contract.auto_renew. Upon expiration or termination, Vendor shall make Customer Data available for export in a standard format for a reasonable transition period, and each Party shall return or destroy the other's confidential information upon written request, except as required to be retained by law or standard backup processes. Synthetic contract evidence - not client truth page 14

6. Benchmarking and Price Protection 12. Benchmarking Right Customer may compare enterprise discount, support fee, and product-unit pricing against current market benchmarks and request commercial review during renewal. Extraction class: benchmark. Ledger: negotiated_improvement. Concept: contract.benchmarking_clause. 13. Price Protection Renewal price increases for like-for-like scope are capped at 5.5 percent annually unless usage, product mix, or regulatory requirements materially change. Extraction class: contract_term. Ledger: negotiated_improvement. Concept: contract.price_uplift_cap. Synthetic contract evidence - not client truth page 15

Dispute Resolution and Governing Law This Agreement is governed by the laws of the State of Delaware, without regard to conflict-of-laws principles. The Parties shall attempt in good faith to resolve any dispute through escalation between designated commercial owners before initiating formal proceedings. Nothing in this section limits either Party's right to seek injunctive relief for actual or threatened breach of confidentiality or intellectual property rights. Synthetic contract evidence - not client truth page 21

General Provisions and Signatures This Agreement, including its Exhibits and any executed Order Forms, constitutes the entire agreement between the Parties regarding its subject matter and supersedes all prior discussions on that subject. Notices under this Agreement must be in writing and delivered to each Party's designated commercial contact. If any provision of this Agreement is held unenforceable, the remaining provisions remain in full effect, and the unenforceable provision is modified to the minimum extent necessary to make it enforceable. No waiver of any provision is effective unless in writing and signed by the waiving Party. This Agreement may be executed in counterparts.
